

AWARDS ANNOUNCEMENT

Due to a lower number of judges and clerks planning to attend the 2022 Florida State Button Society show, the Board of Directors has decided to push half of the 2022 awards to 2023. I apologize for any inconvenience or disappointment this may cause. The revised listing of awards is below. It is also necessary to limit the number of entries allowed, per entrant, to 10 for 2022.

We look forward to seeing you in January.
